A-SITE EDITION

82 Hashers this week!

Hares: Gaddafi's Bride, Gaddafi's Husband, Mental and Menstrual Disorder

Scribe by: Sperm Polluter

Eighty-two enthusiastic hashers turn up at the ever diminishing A-Site ready to give it their blood, sweat and tears again for the PH3. The A-Site is well used but appears to be getting smaller every time we go back, and the landscaping is a nice touch too.

**SPERM POLLUTER** has been poorly (ahhhh), and announced he will not be running, much to the delight of **MARATHON MAN** who says, "It gives me a chance today then", lol.

**LUCAN MADE ME CUM** brings four virgins, relatives of his apparently, but one would have thought he would have advised them to dress properly and wear appropriate footwear. After all, it is a hash and not a stroll through **Central Festival** shopping mall.

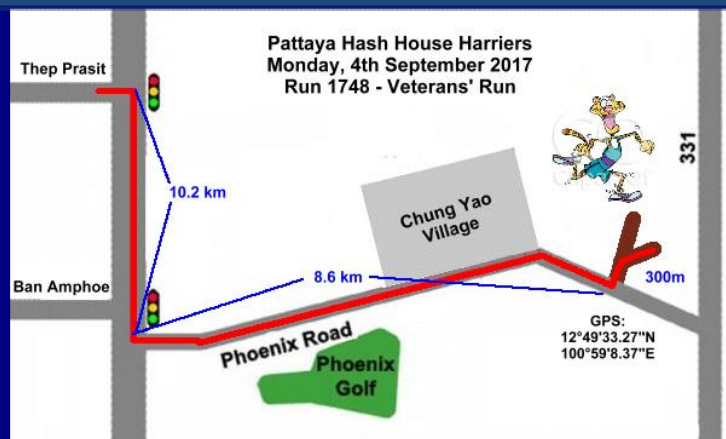

Much to the annoyance of the female virgins they set off on the "walk", wearing sandals and flip flops, after about 5 minutes the daughter goes arse over tit and lands in a heap in the middle of the dirt track. She's not happy and makes an immediate short cut back to the A-Site.

**DEL BOY** is first back, very close behind him is **HARBOUR QUICKSTART**. I think **DEL BOY** spent most of the run behind **HQS** checking out "her" ass and then made a sprint to cum first.

It was noticeable that **LUCAN MADE ME CUM** managed a couple of quick beers when he got back before making a sharp exit. Obviously the female virgins were not having the great time that was promised and wanted to **GTF ASAP**.

**GM** calls the circle, and hands over to **THE WIZARD** because the **GM** is also a hare (**again**). **WIZARD** ices the hares and proceeds to ask the circle about the run. The general consensus was that it was a good run, and most unusual was the distance stated by the hares was more or less correct, more luck than judgement one would suggest.

**GM** takes over and ices **SIR FREE WILLY** (never a pretty sight), one female hasher is particularly disgusted and she gets the full view of **SFW**'s arse in all its splendour. It turns

A-Site Mis-Directions:

From Soi Thep Prasit, proceed South on Sukhumvit Road for 10.2 km and turn left into Phoenix Country Club Road. Follow for 8 km passing the village, down the hill and back up the next. Just before the Garbage Dump turn left into a dirt track (HHH). Follow the track 300m (bearing right at the fork) to the A-site.

out the female hasher (**SISTER SLUDGE**), a visitor from **Oz**, where she is a police officer and informs the circle she would arrest **SFW** for indecent exposure if he did that over in **Oz**. (Wouldn't be the first time says **SFW**).

**SFW** takes the circle for the famous **Raffle** with no expense spared on the prizes as usual, and the winners are: **JACK WOW**, **MOSQUITO**, **SQUEEZE MY TUBE**, **ZENERGY**, **CASPER**, **RASPUTIN**, **RAT VON KIEL** and **FORREST HUMP**. Congratulations to all the winners and thanks to everyone who keeps buying tickets week in week out, thank you for the support.

**SFW** is iced again by the **GM**, this time he is flanked by **JACK WOW**, an ex-Cop, **SISTER SLUDGE**, a current Cop and **THE WIZARD**, an ex-Prison Warden, a scene only too familiar for **SFW**, but this time he has no money to offer the customary bribe.

**WANK-KING'S WANKER** takes the circle for the awards, **SAUCE FOR THE GOOSE – 50 Runs T-shirt**, **ARSE VON HOLE – 50 Runs**, **NECROPHILIA NIGHT RIDER – 200 Runs** and **SQUEEZE MY TUBE – 450 Runs**. Congratulations to all, well done.

**GM** resumes control (sort of) and ices **SFW** (again), **BORING PRICK**, **PHANTOM** and **VV**, because they

**Hash Name Events – 1**

Alicia Ward was given the New Hash Name THE PROFILER.

were the only ones that admitted they went to school. He then brings a very lovely **Slovenian** teacher into the circle (none of my teachers ever looked like that). She was asked if she would let any of them into her school to teach them, and as you guessed, the answer was most definitely **NO**, they look *a bunch of illiterate, cross-dressing perverts* was the reason (many a true word said in jest).

**GM** calls **Alicia Ward** into the circle and asks her to take a seat, time to name our new hasher. **Alicia** is studying Criminology in university and eventually taking a career in Law Enforcement, so in keeping with the theme our new hasher is named **“THE PROFILER”**.

**LIBERACE** is iced and has his **Hash Crash** removed. He is told to be more careful about being rear ended in the Pratumnak area. The **Americans** are iced because the US Navy has no radar on their ships and cannot navigate, they keep ramming other vessels, bunch of useless septics.

**BIGGUS DICKUS** and **BANANAS** are iced because they turned 70 years young this week which means that they can now sit down in the circle (old bastards).

The **Aussies** are iced and **SISTER SLUDGE**'s Dad ends up in the bucket because she supports **Queensland** (it's an Aussie thing). The **Brits** are iced because the **GM** doesn't know the difference between, **England, Scotland, Wales**

and **Ireland**, well he is a convict so what do you expect?

The **GM** announced the he and **SISTER SLUDGE** are from the same village, although decades apart, and she remembered seeing his photo on the wall in the village hall, *“The Village Idiot”*, the **GM** is still proud of that accolade. The biggest roar of the evening goes out when the **GM** announced he's going to be away for a month, and **THE WIZARD** will be acting **GM**.

**BURL IVES** sings the hares song *“Dog's Arse”* and that leaves 6 down downs. **BALL RINGER** is to lead the **Hash Hymn** along with **SISTER SLUDGE**, she's never done it before she proclaimed, but judging by those hand gestures she's no stranger to masturbation.
